The University of Basel throughout the year and centuries
A guided tour of the old town in English

The walk is conducted by Dr. Tanja Popović
Head International Office, University of Basel & a City Guide at Basel Tourism.

TOUR

Over the course of 90 minutes, we will introduce you to locations, events and festivities important to our university and city. As you stroll through the old town, you will learn about celebrations and dates throughout the year which are relevant to the University community. You will gain an overview of historic developments and international influences over the centuries while discovering the medieval architecture, secluded courtyards and often overlooked alleys. At the end of the walk, you will feel more familiar with the history of Switzerland's oldest university and have a more contextualized perspective on your stay in Basel.

REFRESHMENTS

At the start of the tour, we will provide a snack to go during the walk.
